The meeting of IQAC was called on 13/10/2020 at 8.45 p.m. in Principal's Chamber. The Principal guided the IQAC members about NAAC particularly about the current situation of the College where more than 50% posts are vacant. Following agenda was discussed.

Subject: ① Discussion regarding IQAC work :-

The Principal, Dr. D. C. Gotmare guided the staff members about NAAC. He told that, we should continue our work without taking pause, and maintain record.

Everything should be on paper. Record of the work done by you during Covid-19 pandemic Lockdown period, should be properly maintained.

The Principal said that all the staff members should report about different activities, such as attending webinars, Quiz, Lecture series, or any other social activities to IQAC.

The Principal said that now in current situation, it is not possible for us to go for NAAC. In our College more than 50% posts are vacant. In such a situation if we go for NAAC, we will not get good grade.

Subject: ② Any other issues with permission of Chair! -

Under this point Dr. Archana Shelke requested the principal for keeping the classrooms, staffroom and washroom clean. She said that,

in washroom there is no water supply, and in current ^{COVID-19} situation it's very difficult to use such unhygienic place.

The Principal told that our building is rented building the school has not paid the water bill so the water supply has been disconnected by the NMC. But he promised that he will make the temporary provisions.

Dr. S.M. Awadhoot, Co-ordinator of NAAC committee, put the matter of timing before the principal on behalf of all the staff members. Dr. S.M. Awadhoot requested the principal to shift the college time from 4.45 pm. to 9.45 to 4.00 pm to 9.00 pm. The principal accepted the request very kindly.

Finally vote of thanks was proposed by Dr. Archana Shelke and the meeting was concluded.

IQAC Plan of Action and Outcomes
the session 2020-2021

Plan of Action by IQAC chalked out at the beginning of the year towards quality enhancement and the outcomes to be achieved by the end of the year

The following action plan was proposed and approved for the continuous improvement in results, placements, research endeavours for the programmes offered by the institute.

Action plan

Enhancing Academic performance

Achievements/outcomes:
Academic input like Additional Notes, Assignments, Model test papers are provided to students for enhancing their academic performance.

Enhancing Research Orientation

Many faculty members have attended seminars, conferences, FDPs, Orientation courses, Refresher courses etc. during the session. They also published research papers in national international journals and etc. as chapter in edited books.

Quality enhancement and sustenance

Various committees are formed to guide & help the students. The committees are responsible for conducting curricular, and co-curricular activities and extra-curricular activities and progress.

on all these activities

Research Facilities

IQAC will encourage
ph.D supervisors to
registration of ph.D
students.

Curriculum Enrichment

IQAC will ensure that
study tours, field visits
group discussions and
seminars are conducted
in various departments.
